Dear UCLA Alumni and friends,

Thanksgiving breaks are earned through long, busyness-starched days, through protection. Now is as good as any summer to be fully appreciative of the gift of travel. From the Innsbruck and Munich to Grahamstown and Cape Town, this winter’s trip will achieve a personal travel experience you can be proud of.

With AHI Travel, you will enjoy a guided tour of Europe’s finest cultural and historical treasures. Professors discuss works of art and architecture while traveling alongside students and professors. On your trip, you will have the opportunity to see some of the world’s most iconic landmarks, such as the Eiffel Tower, the Colosseum, and the Louvre.

Our trip will take you from Paris to Rome, and we will visit cities such as Florence, Venice, and Athens. You will have the opportunity to see the works of great artists such as Leonardo da Vinci and Michelangelo, and you will have the chance to learn about their lives and work.

We believe that travel is the best way to learn about history, culture, and the world. Our expert guides will lead you through some of the world’s most historic sites, and you will be able to learn about the stories behind them.

Included in your trip price:

- Visit to a select number of European landmarks
- Access to exclusive museums and galleries
- Guided tours of historic sites
- Meals included
- Round-trip airfare from the closest major airport
- Accommodations in centrally located hotels
- All-inclusive package

Please note:

You will be responsible for any additional expenses such as transportation, meals not included in the package, and souvenirs.

Let’s make some memories together.

Yours truly,

[Professor Emeritus Fred Burwick, UCLA]
