Dear UCLA Alumni and Friends,

We invite you to join us this winter for an exclusive UCLA Alumni Travel journey to amazing Costa Rica! Your tour will visit rainforests, volcanoes, national parks, and other exquisite, memorable settings.

Begin in the Costa Rican capital of San Jose, where you will take a guided walk along national park trails to view the world's largest volcanic crater, followed by a visit to the Doka Coffee Estate. Then travel northward to the Arenal Region and your lodge for spectacular views of the Arenal Volcano. You'll explore a biological reserve focused on conservation, environmental diversity, and sustainability, and take a sky-walk tour high above the rainforest floor in the Cloud Forest region of Monteverde. Finally, your adventure concludes with a three-night stay at a Pacific coast resort and a unique float safari on the beautiful Tempisque River.

Space will fill quickly, so call today to secure your place on what promises to be an exceptional small group tour to Costa Rica!

Regards from Westwood,
