Dear UCLA Alumni and Friends,

Journey to Normandy, a region that has played a significant role in the political, religious, cultural and gastronomic development of Western civilization. This engaging program includes an exploration of the historic D-Day beaches and memorials, as well as other highlights of the region, including Mont Saint-Michel, the Bayeux Tapestry and the charming port towns of Brittany. Along the way, you’ll also indulge in some of Normandy’s most delectable culinary treats: fresh cheeses, local cider and the apple cider brandy, Calvados.

Your itinerary has been specially planned by travel experts to include incomparable cultural experiences and preferred access to popular attractions. An exclusive educational agenda features fascinating educational lectures by expert speakers that provide meaningful context for what you will encounter during your travels.

This remarkable trip combines the security, ease and value of group travel with ample opportunities for independent exploration. Delight in the camaraderie of traveling with a group and still have time to make your own discoveries.

This trip sold-out in a couple of weeks last year, so call us today to reserve your space.
