Dear UCLA Alumni and Friends,

The Panama Canal is one of the world’s greatest engineering feats. When it opened in 1914, the Panama Canal shortened the journey between the U.S. and Europe by thousands of miles and revolutionized global trade. Today, the Panama Canal is a symbol of human ingenuity and a testament to our collective ability to overcome challenges.

Explore the Panama Canal on a luxurious crystal cruise with Crystal Serenity, offering a unique opportunity to witness this historic marvel firsthand. Enjoy exclusive access to panoramic views from atop the Crystal Esprit, Crystal Cruises’ world-renowned luxury vessel. In Panama and Costa Rica, you’ll experience a blend of cultural immersion and natural beauty.

The journey includes a visit to the Panama Canal, a tour of the city of Panama, and a private visit to the Cristobal Colon Monument. You’ll also enjoy a stay at the historic Hotel Trump Ocean Club in Panama City, where you can relax in comfort and style. In Costa Rica, you’ll explore the rainforest near San Jose, visit the Arenal Volcano National Park, and take a boat ride on the Panama Canal.

Crystal Serenity offers a level of luxury not found on any other cruise ship. Enjoy spacious staterooms, gourmet dining, and world-class service. With Crystal Cruises, you’ll experience the highest level of service in every aspect of your travel experience.

For more information, please visit our website or contact AHI Travel. We look forward to helping you plan the trip of a lifetime.

Sincerely,

[Signature]

In AHI Travel’s care, you can rely on:

• Deluxe staterooms with Egyptian cotton bedding, marble bathrooms, and plush 100% Egyptian cotton robes.
• Expertise of local guides and drivers who know the area like the back of their hand.
• The right is reserved to make pre-departure passenger information. The airlines and Crystal Cruises are not liable for any negligence or omissions.

Port of call are always an allure, but onboard entertainment, fine wines and cocktails, luxurious accommodations, and the opportunity to explore exotic locales make a cruise an irresistible prospect. Crystal Serenity, renowned as the World’s Best Small Luxury Ship, is the epitome of elegance and sophistication. As you set sail on the Serenity, you’ll encounter the spectacular Panama Canal, which was completed in 1914, and is undeniably one of the world’s greatest engineering marvels. The Panama Canal is an engineering marvel, a testament to human ingenuity and perseverance. It was a project that took more than 20 years to complete, with thousands of workers losing their lives in the process. The canal is 80 miles long and 106 feet deep, with six locks to lift ships up to 85 feet in elevation. It is a marvel of engineering and a symbol of the human spirit. The canal is a wonder to behold, with its intricate locks and waterways, and offers a spectacular sight as ships pass through it. It is a must-see for any traveler who wants to experience the beauty and majesty of the world.

The Panama Canal is a vital waterway, connecting the Atlantic Ocean with the Pacific Ocean, and is a vital trade route. It is used by millions of ships every year, and is a testament to the power of human ingenuity and perseverance. It is a symbol of the human spirit and a reminder of the incredible things that can be accomplished when we work together. BETWEEN THE OCEANS

THE BRIDGE

In oval:

1913

Building

In order to minimize damage to the delicate marine life, the Miraflores Locks use a system of gates that raise and lower in a series of steps, allowing ships to sail through the lock while being gradually raised or lowered to the new water level. This process is called the "dual chamber" or "two-chamber" method, and it is a key feature of the Panama Canal.

The Miraflores Locks, with their elegant white stone walls, provide a striking backdrop to the canal. The locks are linked to each other by a series of gates and locks, allowing ships to enter and exit the canal in a process that is both efficient and environmentally friendly.

The Panama Canal is an engineering marvel, a testament to human ingenuity and the power of perseverance. It has been a vital link in global trade for over a century, and its legacy continues to this day. Whether you’re sailing through the locks or simply marveling at the engineering feat, the Panama Canal is a must-see destination for anyone with an appreciation for history and human achievement.

The canal opened in 1914. To this day, it remains a marvel of engineering and a symbol of the triumph of human ingenuity over nature. Its impact on global trade and navigation cannot be overstated, and its legacy will continue to inspire future generations for years to come.

BETWEEN THE OCEANS

The Panama Canal: the world’s best engineering feat

In the 17th century, when European explorers first ventured to the New World, they were amazed at the incredible story of the Panama Canal.。。。 Panama Canal unchanged after 9/11

Panama Canal: The World’s Best Engineering Feat

The Panama Canal has long fascinated the world’s most important people. In 1889, the American南北美洲部分的居民居住着。The Panama Canal was first opened in 1914. It consists of 16 sets of locks, which lower ships 85 feet above sea level. For the first time in history, ships can transit the canal from the Atlantic Ocean to the Pacific Ocean, and vice versa, in less than a day. The project was completed in 1914, and the canal has since become an integral part of international trade, allowing ships to bypass the entire southern coast of South America. The Panama Canal is a marvel of engineering, and it continues to play a vital role in global commerce today.

The Panama Canal: The World’s Best Engineering Feat

The Panama Canal is one of the seven wonders of the world. It was built by the United States Army Corps of Engineers and opened in 1914. The canal consists of 16 sets of locks, which raise and lower ships 85 feet above sea level. It connects the Atlantic Ocean to the Pacific Ocean, allowing ships to bypass the entire southern coast of South America. The Panama Canal is a marvel of engineering, and it continues to play a vital role in global commerce today.

Dear UCLA Alumni and Friends,

We are pleased to offer you the 100th anniversary celebration of the Panama Canal, with the opportunity to travel on the caravel Cristóbal Colón, named after the great航海家 who led the first transatlantic voyage from Europe to the Americas. You will enjoy the beauty of Panama with its lush rainforests, diverse wildlife, and rich cultural heritage. The program includes visits to historic sites, beaches, and natural wonders.

The cruise departs Miami on November 19, 2014, and returns on December 1, 2014. You will have the chance to explore the Panama Canal and the surrounding areas, including Panama City, the Azuero Peninsula, and the Darién Gap. In addition, there is an optional extension to Costa Rica and Nicaragua, allowing you to experience the natural beauty and rich culture of these countries.

This special cruise-only fare includes:

- Transportation from select North American gateway cities to Miami
- Accommodations on the caravel Cristóbal Colón
- Meals aboard the ship (cruises, buffets, and speciality restaurants)
- Guided tours and lectures
- Evening activities and entertainment
- Shore excursions
- Airport transfers to and from the ship

Cruise the Pacific Ocean

Dear UCLA Alumni and Friends,

We are pleased to present you with the opportunity to celebrate the bicentennial of the American Dream on the crystal-clear waters of the Panama Canal. At the request of the Panama Canal Authority, AHI Travel has designed a magnificent 11-night expedition, featuring a select package of hotels and breathtaking destinations, including Panama City, San José, Costa Rica, and Puerto Limón.

During your voyage, you will immerse yourself in the vibrant culture and history of Central America. Explore the Panama Canal, the marvel of engineering that marked the dawn of an era; experience the beauty of Costa Rica’s tropical rainforest; and enjoy the relaxed atmosphere of Puerto Limón, a charming beach town.

The itinerary includes:
- **Day 1**: Depart Gateway City
- **Day 2**: Pan American Canal
- **Day 3**: Panama City
- **Day 4**: Panama City
- **Day 5**: Destination of your choice
- **Day 6**: Destination of your choice
- **Day 7**: Costa Rica
- **Day 8**: Costa Rica
- **Day 9**: Puerto Limón
- **Day 10**: Destination of your choice
- **Day 11**: Return to Gateway City

**Optional Two-Night Extension in San José, Costa Rica**

You may choose to extend your stay in San José for an additional two nights, allowing you to explore more of Costa Rica’s natural beauty and cultural highlights. This extension includes:
- A visit to the San José Museum of Costa Rica
- A guided tour of the National Park of Arenal Volcano
- A visit to the famous Handicraft Market
- A visit to the Monteverde Cloud Forest Reserve
- A visit to the Tarcoles River and its crocodiles

**SPECIAL CRUISE-ONLY FARES**
