Dear UCLA Alumni and Friends,

Join us on an exciting journey across the Southern Hemisphere as we explore New Zealand’s spectacular landscapes and rich cultural heritage. This trip will include stops at some of the country’s most iconic locations, such as the Milford Sound, the Waitomo Caves, and the Abel Tasman National Park. Expect to see the beautiful Fiordland National Park, home to Milford Sound, and also to enjoy the stunning scenery of the South Island.

The trip will feature a mix of guided tours and free time, allowing you to explore at your own pace. You will have the opportunity to witness the unique wildlife of New Zealand, including the yellow-eyed penguin and the rare kiwi bird. The program also includes visits to historic sites and cultural experiences, providing a comprehensive overview of the country’s history and culture.

As a UCLA Alumni Travel participant, you will enjoy several benefits, including access to exclusive offers, up to 45 days prior to departure. Please contact travel@alumni.ucla.edu or call 1-888-455-0772 for more information on this trip and to reserve your place.

Sincerely,

Christel Aragon
Director, Alumni Travel
