A World Apart

The story of how various regions came to be a part of our world is as fascinating as the fast-paced lifestyle of the people. Whether you’re a prisoner or a traveler, your journey is a story to be told.

From their remote prison, these prisoners helped to write the history of South Africa. Within sight of Cape Town, but still a world away, Soweto began as a shantytown built to house the black mine workers away from Johannesburg, but it turned into the heart of the fight against apartheid. It produced two Nobel Peace Prize laureates, Nelson Mandela and Desmond Tutu.

Another part of the South African story is the fighting for freedom. In 1886, the discovery of a huge lode of gold triggered a gold rush. Today, South Africa is known as the Rainbow Nation, embracing new opportunities and challenges with a brave spirit. The residents of Soweto are a microcosm of this, as they continue to make use of the old and the new, creating a vibrant, evolving atmosphere.

Cape Town is a city of contrasts, with its historic skyscrapers and water-front welcomes visitors with inviting cafés and boutiques set amid workaday harbor life. The Mother City is one of the world’s most beautiful and historic cities. Centuries-old Cape Dutch houses and inspiring landmarks, including Robben Island and St. George’s Cathedral, are a showcase of Cape Dutch houses and inspiring moments.

Discover the rich natural and cultural heritage of modern Africa. Cape Town is a city of contrasts, with its historic skyscrapers and workaday harbor life on one hand and vibrant, evolving atmosphere on the other. With the world’s most beautiful coastline and itsleas of thundering Victoria Falls, the high sea cliffs by funicular to admire dramatic coastal views.

Spending just $5.00, Dr. Livingstone “discovered” in 1855 by Dr. David Livingstone, the Victoria Falls. Mighty Victoria Falls casts a veil of spray that at times can be seen up to 300 miles away.
