Dear UCLA Alumni and Friends,

We invite you to join us on an exclusive 13-day UCLA Alumni Travel journey throughout Japan. Here you'll discover the superb art, remarkable history, exquisite cuisine, and stunning landscapes that render Japan a nation of many wonders. Enhance your understanding of this fascinating country in the company of Mariko Tamanoi, professor in the UCLA Department of Anthropology.

Beginning in Tokyo, spend two full days exploring Japan's capital. From Tokyo you travel to Mt. Fuji-Hakone-Izu National Park to experience the world's most revered volcano, then continue to Hakone for an overnight stay in a ryokan, a traditional Japanese inn. Take a bullet train to historic Takayama in the Japanese Alps, where you'll attend a traditional Japanese tea ceremony, followed by culturally rich Kanazawa. Your journey concludes with three nights in Kyoto, where you'll visit the Temple of the Golden Pavilion and Nijo Castle and explore the ancient capital of Nara. An optional 3-day/2-night post-tour extension to Hiroshima, the “City of Peace,” lets you discover a city reborn from World War II's atomic destruction.

With space for only 24 guests on this departure, we expect this tour to fill quickly. Please call today to secure your place on what promises to be an unforgettable journey!

Regards from Westwood,
